

# JIB CRANE 360

## DESIGN FEATURES

---

500 KG WORKING LOAD LIMIT

---

MOTORIZED CHAIN HOIST

---

2 SPEED HOIST MOTOR

---

EASY TO OPERATE

---

Founded in 2000 by the Farnese family, **Farnese Australia** are designers and manufacturers of stone cutting and polishing machinery in Australia. With an international reputation and decades of combined professional experience, and expertise, in both the stone industry and the local stone machinery manufacturing industry, Farnese are the first choice for stone fabricators. They continue to dominate this field in Australia and overseas with precision and innovation.

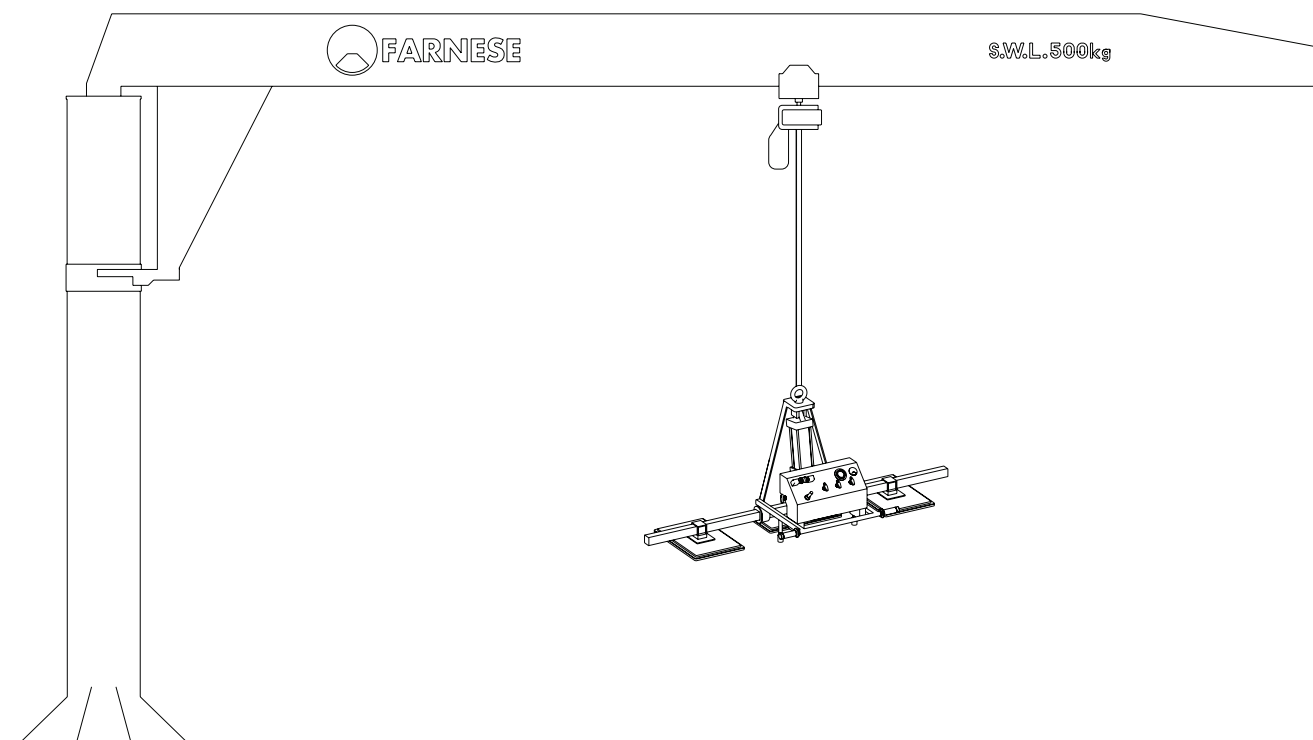

The team at **Farnese Australia** have the experience it takes to design, install and maintain the equipment needed in your industry.

The JIB CRANE 360 is one of the most important elements in any workshop. It is designed to be bolted directly to the ground thanks to a large base plate. This base plate is anchored to the ground by bolts which are chemically set to a levelled concrete floor which must be at least 150mm in thickness.

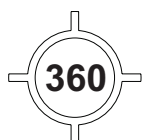

The JIB CRANE 360 is fitted with a motorized chain hoist; the two speed motor enables the operator to manoeuvre the hoist with ease and accuracy in an up down motion.

# JIB CRANE 360

## TECHNICAL SPECIFICATIONS

### DIMENSIONS OF INSTALLED MACHINE

STANDARD*	METRIC	IMPERIAL
LENGTH	7300 mm	287.4 in
WIDTH	1100 mm	43.3 in
HEIGHT	4000 mm	157.5 in
WEIGHT	900 kg	1980 lb
LOAD (WORKING LOAD LIMIT)	500 kg	1100 lb

\* CUSTOM SIZES ARE AVAILABLE ON REQUEST

### EQUIPMENT RANGES

ARM RANGE (MAX FROM THE CENTRE)	6765 mm	266.3 in
ARM RANGE (MIN FROM THE CENTRE)	1050 mm	41.3 in
FIRST JOINT	0 - 360°	0 - 360°
HOIST WITH WIRED PENDANT CONTROLLER	YES	YES

POWER REQUIRED	400v 3ph 50Hz	208v 3ph 60Hz
	3A+ Neutral	5A

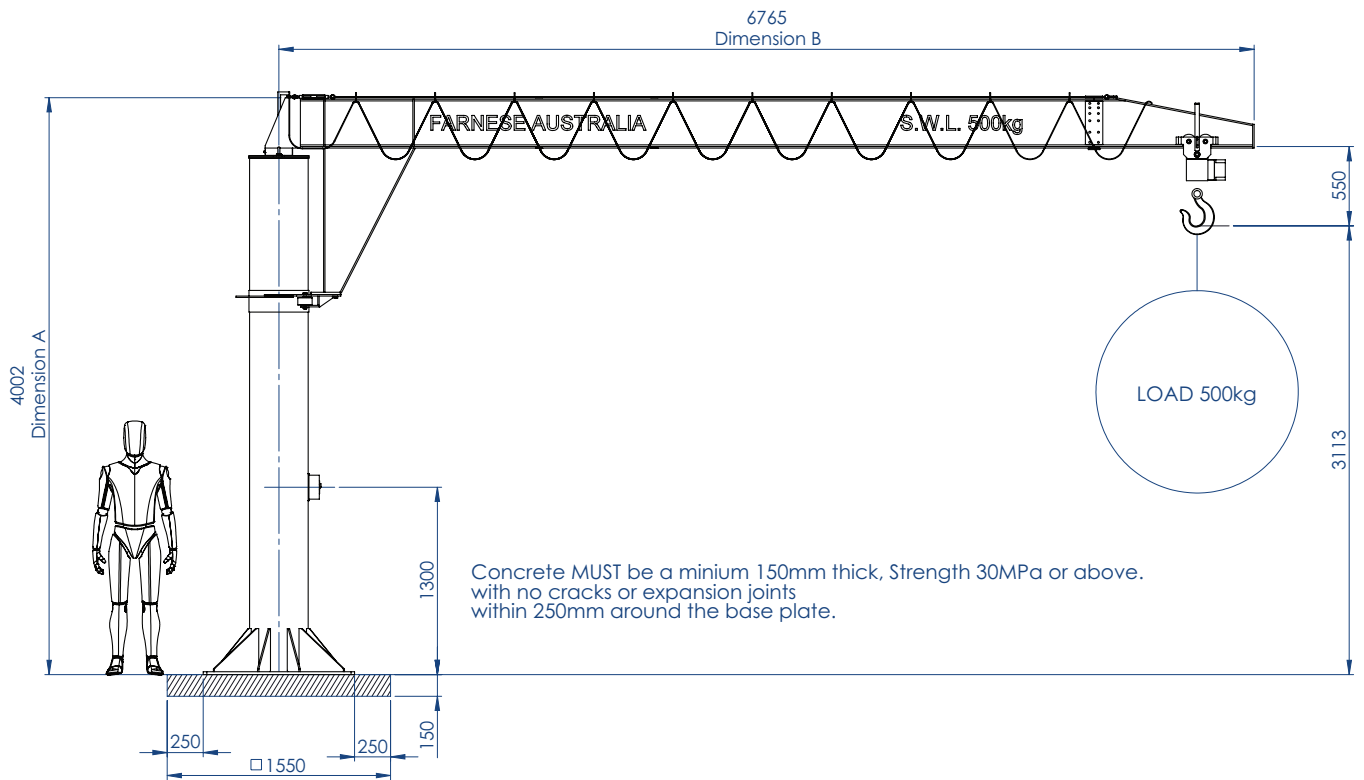

CONNECTIONS REQUIRED (SUPPLIED BY CUSTOMER) -  
POWER

NB - VACUUM LIFTER SHOWN FOR ILLUSTRATION PURPOSES ONLY

FARNESE DO NOT SUPPLY BOLTS AND CHEMICAL SETS

Owing to the constant updating of our designs, descriptions and technical data shown in our drawings and folders are not binding. Possible alterations deemed by the makers as convenient will be effected at any time without previous notice.

DESIGNED FOR FUNCTION, BUILT TO LAST.

## **We Know That Support Is Important To You**

Buying a new machine is a big commitment for anyone, and continued support throughout the life of that machine is vital.

Being an Australian and New Zealand company, we carry a vast array of parts here in New Zealand to ensure that your machine always has the spares it needs. Enjoy peace of mind knowing that you'll be fully supported by Farnese and we'll always have you covered.

Farnese customers don't need to experience unnecessary machinery downtime waiting for remote assistance from other countries, as all the support and remote assistance is provided locally in New Zealand from our own qualified Technicians in New Zealand time.

Our mission here at Farnese is to give you the best support. As we grow, we continue to recruit more and more qualified technicians, to further strengthen our position in the industry.
